Dean Williams, Vision Personal Training, 2014 South Eastern Sydney Regional Winner, Young Entrepreneur, 2014 State Winner, Young Entrepreneur

"Awards from an organisation like NSW Business Chamber for a young company like Ocular Robotics are of continuing significant benefit as Ocular Robotics looks to establish itself as an example of successful commercialisation of a ground breaking Australian developed technology on the world stage".

Mark Bishop, Ocular Robotics, 2014 South Eastern Sydney Regional Winner, Business Leader, 2013 State Winner, Excellence in Innovation 2013 State Winner, Business of the Year

About the NSW Business Chamber Business Awards Program

The awards program provides members with the opportunity to showcase achievement at a regional and state level. Winners from each regional category proceed at finalists to the NSW Business Chamber State Awards where they compete for the state's top honours in the areas of business leadership, entrepreneurship, sustainability, innovation, export, small business, workplace health and safety, employer of choice and Local Chamber of Commerce.

Entry

Entry to the Business Awards program is open to members and associate members via our local Chamber Alliance partners. Members can enter at either a regional level or at a local level for aligned categories.
